

“Verification of Progress Towards Deployment” Instructions

The **purpose of this form** is to verify the scholar’s progress towards overseas deployment should there be a delay beyond one year subsequent to appointment to missionary candidacy. If the scholar continues to make progress towards overseas deployment post-graduation, he/she is eligible for deferment of their loan. The “Verification of Progress” form documents the steps the scholar has made and establishes an anticipated date of deployment. If deployment is delayed another year, additional documentation will be required for a second year of loan deferment.
